Another Successful Year!

After the hard work of over 490 people, Big Brothers and Big Sisters of Leeds and Grenville have had yet another successful year with their Bowl for Kids Sake fundraising event.

There were four locations hosting the event: Brockville, Kemptville, Gananoque, and Elgin. Each location offered exciting prizes, many of which were graciously donated by local businesses.

As a result of all the hard work and generous donations, the agency is proud to announce that an astounding \$32,000 (net) was raised this year. All money raised helps to support the programs offered at the agency.

The agency hopes to see yet another successful year in 2010 and wishes to thank all who participated and supported the event.
